

## How to Save on Specialty Medications\*

### 1 Contact Sav-Rx

You, your prescriber, or pharmacy can contact Sav-Rx at 800-228-3108, and we'll do the rest!

**24/7/365**  
AVAILABILITY AND  
CONCIERGE SERVICE

### 3 Sav-Rx helps you receive significant savings

Even if there is no patient assistance program available, Sav-Rx will apply all applicable discounts so that you and the Plan still receive significant savings!

### 5 Easily track your medications

You can track your medications on our website, through our mobile app, or by calling customer service!

### 2 Sav-Rx helps you enroll in a Patient Assistance Program

Sav-Rx can help you receive your medication for *free* if you qualify for an available program.

### 4 Your medication is shipped directly to you

Your medication is delivered directly to you or your prescriber!

\*Specialty medications are typically very high cost and require special handling, patient care and training, frequent dosing adjustments, or other special clinical review.
